RESPONSE TO MISSING REQUIREMENTS

Sir:

This is a response to the attached Missing Requirements dated June 19, 2006, which response is being made on or before August 19, 2006, and for which no extension fee is due.

By said Action, it was alleged that the Application was deposited without an executed Declaration.

Please note, however, that the attached postcard stamped in the USPTO mailroom indicates that an executed Declaration was in fact included together with the specification as filed on October 11, 2005.

It appears that the executed Declaration was separated from the specification after receipt in the USPTO OIPE. Applicant is providing herewith an identical replacement copy of the signed Declaration as previously filed on October 11, 2005.

The submission of this replacement executed Declaration should not be construed as an admission that this executed Declaration was not included in the original filing on October 11, 2005.

Withdrawal of this Notification is respectfully requested. No petition fee is therefore required for this Response.

Respectfully submitted,

Martin D. Moynihan
Registration No. 40,338
